

Dear IGNOU Learners of January 2020 Admission Session

Greetings from Regional Centre Delhi-2, Rajghat !

Heartiest Welcome to IGNOU family. By enrolling yourself with IGNOU, you have become a student of one of the Mega Universities in the World.

It is quite likely that you are getting this first ever experience as a distance learner. We are in fact physically at a distance from you. But as far as the teaching-learning activity is concerned, we are very close to you and always with you in the form of our Self Learning Material (SLM) and through other student support services.

Due to this period of Lockdown, Face-to-face counseling at LSCs has been discontinued. Until it is resumed, various other digital forms of counseling are being provided by IGNOU like Gyan Vani, IRC, Gyan Darshan, SWAYAM, YouTube may be used.

By now, you might have received the hard copies of the study material and programme guides from Material Production and Distribution Division, IGNOU HQS. If not, you will receive it soon, once the logistics and postal services are fully restored.

In the meantime, you may also visit egyankosh.ac.in or download 'IGNOU e-Content' mobile app from Google play store to access study material. Our Study Material is written in self instructional mode and we are sure once you start studying, you will enjoy it.

To start with, read the 'Programme Guide' thoroughly. Keep it handy till you complete the programme and refer it as and when you get any doubt about progressing further in this programme. This Programme Guide provides you important information about the programme as a whole, viz., objectives, structure, mode of delivery, programme schedule, counseling sessions, assignments, evaluation, etc.

We assure you the best possible support to each one of you to complete your programme as per schedule.

For any queries or doubt, please don't hesitate to contact us at rcdelhi2@ignou.ac.in. Please don't forget to mention your enrolment number and programme code for quick action.

It is also advised that please make it a habit to visit website of IGNOU and Regional Center Delhi-2 on a regular basis for updated information and other useful links.

It is hoped that your learning experiences with IGNOU will be enjoyable and fruitful as well.

With best wishes,
Regional Director
